

Christmas 2022/New Year 2023

May Christmas bless you  
With starry skies that herald new beginnings.  
May you hear heavenly songs of love.  
May you experience the passionate presence of  
the Great and Only Divineness.

May Their presence enrich and inspire your New Year.  
So that Their dreams become yours,  
Their mission, your own vocation:

***Peace and justice for all people.  
Harmony for all creation.  
The whole earth brimming with knowing God-Alive,  
a living knowledge of God ocean-deep, ocean-wide.***

*From Isaiah 11, The Message*

*Deepest Blessings,  
Brenda*
