

## WHAT WE BELIEVE

Faithful to the Protestant tradition & our Baptist roots,  
Community Baptist affirms the following teachings:

The whole cosmos is infused with God's loving presence.

All of humanity is lovingly held within this inter-connected web  
of belonging.

God's passionate care for all creation is revealed in Scripture,  
through the person and work of Jesus, and by the activity of  
God's Spirit in our world.

The Baptist principle of "soul liberty" respects every person's  
journey towards the Holy.  
Our role is that of companions on the road of - or to - faith.
